

# Attention SNAP (food stamp) recipients!

**As a result of the February SNAP benefits being issued early because of the federal government shutdown, Ohio is adjusting the March benefit issuance schedule. SNAP recipients will receive **HALF** of their March benefits on February 22, 2019, and the rest of the benefits will be issued on the normal March issuance date.**

You may contact your local Job and Family Services office with questions or call:

**1-866-886-3537 (choose option 6)**
